

John Muller, Chair  
S.F. Bay Regional Water Board  
1515 Clay Street, Suite 1400  
Oakland, CA 94612

Dear Mr. Muller,

The SF Bay is filled with trash. It destroys recreation, impacts water quality, and kills marine wildlife. The Board's proposed permit would require cities and counties to meet a cleanup level of 100 pieces of trash for every 100 feet in a trash "hot spot" – this does not go far enough. Our precious Bay deserves the highest level of protection—zero trash!

I would appreciate a response regarding the action you intend to take.

Sincerely,
